NEUTRAL SPOT REMOVER

PRODUCT DESCRIPTION

A powerful, safe neutral pH all purpose spot remover for use on all fibres including wool and stain-resistant nylon carpets.

For best results, treat spots and spills as soon after occurrence as possible.

- **Effective on most types of food stains and spills including:-**
Soft drinks, cocoa, fruit juice, gravy, honey, jam, ketchup, sugars.

DIRECTIONS FOR USE

Determine spot type. (Check application list on each spotter bottle in the Spot Remover kit to determine the correct spot remover.)

Pretest carpet or fabric in a small inconspicuous area for dye sensitivity and colour fastness.

Sponge or scrape up any surface spot material.

Apply Neutral Spot Remover directly to spot with nozzle applicator.

Blot with clean white absorbent cloth or paper towel. Do not rub. Deep spots may need light brushing. On larger spots, work from the outside of the spot toward the centre.

Repeat above steps as necessary. Rinse area with damp sponge and clear water to remove excess spotter. Brush fabric to align fibres.
