

BIO-SHIELD

LEMON (205) / LIME (209) / FLORAL (220)

FRAGRANT WASHROOM CLEANER

- *Daily use prevents the build-up of water scale*
- *Safe on stainless steel and chrome fittings*
- *Long lasting fragrance*

Available with lemon, lime or floral fragrance, Bio-Shield is a concentrated multi-surface cleaner, disinfectant, descaler and deodoriser.

A scientific blend of biocides, surfactants, perfume oils and water-soluble dyes, Bio-Shield is a viscous liquid which freshens for hours.

Ideal for cutting through body fats, soap scum, scale and general dirt from tiles, floors, sinks, baths, bidets, showers, fixtures, fittings and all washable surfaces.

Recommended for use as a total washroom cleaner and as a regular cleaner on all hard floor areas to leave clean and sanitary conditions.

DIRECTIONS

Use undiluted on heavy soil. For light to medium soiling, apply a diluted solution using a mop and bucket, trigger spray or cloth. Wear rubber gloves when using Bio-Shield undiluted for any length of time. Apply to the surface, agitate and rinse or wipe away for a smear-free finish.

BIO-SHIELD:WATER	
Heavy soil Undiluted	Light to medium soil 1:10 - 1:50
