

FOAM CLEANER (219)

BACTERICIDAL FOAMING CLEANER

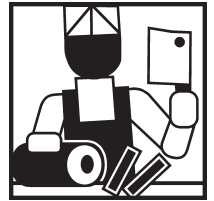

- *Quick and convenient in use*
- *Active foam cleaning action - removes oil, blood, grease, etc*
- *Kills Salmonella and Listeria*

A ready-to-use, spray on cleaner and degreaser, which will kill Salmonella, Listeria and other bacteria in 60 seconds.

Foam Cleaner is an odourless cleaner and sanitiser that will cope with a high level of soiling.

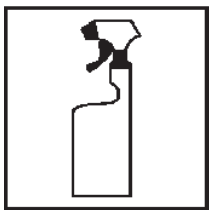

Suitable for use on all water washable surfaces, the trigger spray application makes it easy to use and essential for sanitising awkward areas.

As a non-tainting, bactericidal product, Foam Cleaner is recommended for use as a versatile cleaner in the food industry.

DIRECTIONS

Spray neat onto the surface and agitate if necessary. Rinse with water or wipe away with a clean, damp cloth. Wipe dry if necessary.
