

SOLA-BAC (319)

HEAVY DUTY BACTERICIDAL CLEANER

- **Powerful - removes heavy soil**
- **Bactericidal - conforms to BS EN 1267:1997**
- **Food safe - simply rinse away with water**

A concentrated bactericidal degreaser, which passes BS EN1276:1997 at a 0.5% dilution rate with a 5 minute contact time.

An odourless, alkaline hard surface cleaner and degreaser incorporating a bactericidal system. Extra strength for the rapid removal of heavy soiling.

Suitable to clean blood, fat, food, grease and oils from stainless steel, stone, concrete and plastic.

Essential for all areas where cleaning and sanitising is vital, including; bakeries, abattoirs, meat processing, breweries, animal handling, food factories and kitchens.

DIRECTIONS

Dilute with cold or hot water according to the level of soiling. Mop, spray, scrub or pressure wash with SOLA-BAC then rinse away with clean water.

SOLA-BAC : WATER			
Heavy Soil 10%	Medium Soil 2%	Light Soil 1%	Sanitising 0.5%
