

# SPRAY & WIPE

## FRAGRANCED BACTERICIDAL CLEANER

### *Multi-purpose*

Spray & Wipe is safe to use on a wide variety of surfaces including aluminium, plastic and glass.

A highly versatile product, Spray & Wipe can be used to clean furniture, doors, walls, table tops, mirrors, bars, etc.

Also ideal for use in leisure centres to clean sunbeds, sports equipment, etc.

**Spray & Wipe is available in a 750ml trigger spray and 5L pack size.**

### *Bactericidal action*

Spray & Wipe cuts through grease and grime and kills bacteria fast. It passes BS EN 1276:1997 with a 5 minute contact time.

Spray & Wipe cleans and freshens surfaces, leaving a pleasant, floral fragrance.

### *Easy to use*

Spray & Wipe is a ready-to-use product for quick and easy application. With no dilution necessary, this saves time in use.

Simply spray on and wipe clean for rapid results.

***Spray & Wipe is ideal for rapid cleaning and disinfecting in offices, shops, leisure centres, schools, bars, hotels, etc.***
