# SAFETY DATA SHEET

CHIP / EC FORMAT (91/155/EEC)

## E672

# LEATHER CLEANER

### PRODUCT DESCRIPTION

Professional formula leather upholstery cleaner and conditioner with mild cleaning agents and mild pH to effectively and gently clean leather. Suitable for use on leather upholstery and other leather surfaces subject to pre-testing. Cleans leather thoroughly before conditioning with Prochem Leather Conditioner.

- Specially formulated product for leather
- Compatible with Prochem Leather Conditioner for a complete cleaning and protection system.

### DIRECTIONS FOR USE

Shake well before using. Ready-to-use, do not dilute.

Recommended for pigmented smooth leather. Pre-inspect leather condition for cracking, stains, cuts or damage. Pre-test in an inconspicuous location for colour fastness, darkening or texture change. Not recommended for suede leather. Avoid application onto wood or other surfaces.

Brush leather to remove loose soil. Apply a small quantity of Leather Cleaner onto a clean, slightly damp white terry cloth, gently clean a small area of leather. Pay special attention to removal of soil from stitching, creases and corners.

Wipe and rinse surface with another damp towel to remove soil and cleaner. Towel dry.

Rinse towels in clear water as needed to remove soil build-up.

After cleaning, condition the leather with **E675 Leather Conditioner** to soften, restore and help protect leather.

**Important - See Page 2 for Safety Data Information**

## SAFETY DATA SHEET - Prochem E672 Leather Cleaner (Continued)

### HAZARDS IDENTIFICATION

**Eye Contact** - Contact with concentrate may cause eye irritation.

**Skin Contact** - Prolonged or repeated contact with concentrate may cause irritation.

**Inhalation** - No significant health hazard.

**Ingestion** - May produce nausea and irritation.

**Environment** - Raw materials are biodegradable.

### FIRST AID MEASURES

**Eye Contact** - Flush immediately with water for 15 minutes, then seek medical attention.

**Skin Contact** - Flush skin with plenty of water. Seek medical attention if any skin irritation persists.

**Inhalation** - None required.

**Ingestion** - Seek immediate medical attention. Do not give anything by mouth if patient is unconscious. Do not induce vomiting.

### FIRE FIGHTING MEASURES

**Extinguishing Media** - Product is not flammable. Use carbon dioxide, dry powder extinguisher, or other media appropriate for materials actually involved in fire.

**Fire/Explosion Hazards** - No explosion hazard.

**Decomposition Products** - Exposure to fire may liberate carbon dioxide, carbon monoxide, water and other unidentified thermal decomposition products from this product or its packaging.

**Special Protective Equipment** - None required.

### ACCIDENTAL RELEASE

**Personal Protection** - Protective clothing, rubber gloves, chemical splash goggles.

**Containment and Disposal** - Large spills should be treated with dry absorbent and disposed at legal waste disposal site. Small spills can be flushed with water to sewage drain linked to waste treatment facility.

### HANDLING AND STORAGE

**Handling Precautions** - Wear rubber gloves and safety glasses when handling.

**Storage Precautions** - Avoid extremes of temperature. Keep out of reach of children. Keep closed in original container.

### EXPOSURE CONTROLS / PERSONAL PROTECTION

**Eye Protection** - Side shield safety glasses are recommended when handling.

**Protective Clothing** - Standard work clothing and rubber gloves.

**Respiratory Protection** - Not required.

**Ventilation** - Normal air circulation.

**Hygiene** - Wash hands and clothing after use or spill. Do not eat or drink when handling chemicals.

### STABILITY AND REACTIVITY

**Stability** - Stable

**Conditions to Avoid** - Extremes of temperature.

**Incompatibility (Materials to Avoid)** - Strong oxidising and/or reducing agents, strong bases, and strong acids.

**Hazardous Decomposition Products** - Exposure to fire may liberate carbon dioxide, carbon monoxide, water and other unidentified thermal decomposition products from this product or its packaging.

**Hazardous Polymerisation** - Will not occur.

### TOXICOLOGICAL INFORMATION

**Eye Contact** - Contact with concentrate may produce moderate transient irritation.

**Skin Contact** - Prolonged or repeated contact may cause mild irritation.

**Inhalation** - No health effects expected.

**Ingestion** - May produce gastro-intestinal irritation and nausea.

**Exposure Limits** - None for raw material ingredients in this product.

### ECOLOGICAL INFORMATION

Contains Alcohol ethoxylate which may be harmful to aquatic organisms.

The raw material ingredients in this product are biodegradable within the scope of current EC legislation and are considered to be of low toxicity to animal wildlife.

The major packaging materials of polyethylene and fibreboard are recyclable.

### DISPOSAL CONSIDERATIONS

Waste cleaning effluent should be discharged to a sewage drain, which is linked to a local sewage and waste treatment facility. Empty containers should be rinsed with water then crushed and disposed of at legal waste disposal site. Large quantities of product for disposal should be consigned to a licensed haulier in accordance with UK and EC regulations.

### TRANSPORT INFORMATION

#### Classification for Transport

Not classified as hazardous for transport.

UN NO. / SI NO. - None

IATA / ICAO Class (Air) - None

IMDG / IMO Class (Sea) - None

ADR / RID Class (Road /Rail) - None

Packaging Group - None

### REGULATORY INFORMATION

#### Classification

Not classified as hazardous for supply.

#### Risk Phrases

None

#### Safety Phrases

S2 Keep out of reach of children.

S24/25 Avoid contact with skin and eyes.

S26 In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.

S37 Wear suitable gloves.

The information given has been compiled with reference to the **CHEMICALS (HAZARD INFORMATION AND PACKAGING FOR SUPPLY) REGULATIONS (CHIP) 1994** (as amended), the **CONTROL OF SUBSTANCES HAZARDOUS TO HEALTH REGULATIONS (COSHH) 1994** (as amended) and the **MANAGEMENT OF HEALTH AND SAFETY AT WORK REGULATIONS 1992** (as amended).

This safety data sheet does not constitute the users own assessment of workplace risk as required by other health and safety regulations.

### OTHER INFORMATION

For additional information on safety, training and use of this product, contact the supplier.

This product is intended for professional use only.

The information given is intended to be of assistance to users but is without guarantee. Variations can occur in application and users are advised to conduct their own tests. Suggestions for use neither give nor imply any guarantee as to the intended use.

### EMERGENCY ACTION

***In the event of a medical enquiry involving this product please contact your doctor or local hospital accident and emergency department, who may seek advice from the National Poisons Information Service, where our full product details are held.***
