

Product Specification Sheet

DEGREASER

CARPET PRE-CLEAN TREATMENT

Size: 5 Litres

Economical, pH neutral pre-spray for use on carpets and upholstery in the injection extraction cleaning process. Ideal for cleaning white and light coloured 100% wool carpets and linen suites.

Precautions for use

Test for colour fastness first. Observe the general safety regulations when handling chemicals. Do not breathe spray. Wear suitable gloves and eye/face protection. If swallowed, seek medical advice immediately and show this container or label. In case of contact with skin, rinse immediately with plenty of water. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. Keep out of the reach of children. Dispose of this material and its container to hazardous or special waste collection points.

Directions for use

Shake the container. Dilute up to 33ml 0017 to 1L hot water. Spray onto carpets or fabrics and leave for 20 minutes prior to extraction cleaning. Can be added to the solution tank for an extra boost to cleaning, or applied with a rotary scrubbing machine. The recovery tank may need a measure of 2San Antifoam Concentrate (0020) when using this product.

Classification

Danger. Causes skin irritation. Causes serious eye damage. Hazardous content sodium dodecyl benzene sulphonate, pure; sodium C10-C16 alkyl ethoxy sulphate; C9-11 alcohol ethoxylate 6-8 moles EO. Regulation (EC) No 648/2004 contains anionic surfactants >15% and non-ionic surfactants >5%.
