

Carefree Stripper

Floor Stripper

Description

Powerful, alkaline stripper for removing polish and maintenance films from alkali-resistant hard floors.

Key properties

- High alkaline stripper
- Fast acting
- Low foaming

Benefits

- Fast acting, penetrates through multiple coats of floor finish
- Can be used as a mop stripper or machine stripper
- Strips all types of emulsion floor polish
- No rinse formula

Use instructions

Erect warning signs, ventilate and prepare area. Pick up large litter and dust sweep. Put on rubber gloves and safety glasses and prepare a solution of **Carefree Stripper**, in **cold** water, at 1:10 dilution. Apply a liberal solution to the floor surface – do not allow to dry out. Allow 5 minutes contact time. Scrub with standard speed rotary machine fitted with appropriate grade pad. Remove slurry with wet pick-up. Damp mop with clean water to remove wheel marks etc. Allow floor to dry thoroughly. Repeat if required.

For Linoleum floors carry out colour fastness check prior to use and do not scrub with a black pad, Use Green pad or lighter colour only.
