Lemon Jell

High Impact Floor Cleaning Gel

Uses

Q-Eco Lemon Jell is a specially formulated cleaner for removing even the heaviest deposits of oil, grease and grime from hard surfaces in the household, commercial or retail outlet. Suitable for use on linoleum, PVC, sealed wood, cork and most hard surfaces.

- Non-abrasive formula will gently clean without stripping polished floors.
- Will dissolve scuff & heel marks whilst cleaning through to the shine of the surface.
- Low foaming, suitable for use with floor scrubbing machines.
- Safe for use on most floor types including linoleum, vinyl, sealed wood, cork and terrazzo tile surfaces.
- Provides excellent cleaning results on tiled walls and paintwork.
- Economic in use for high volume institutional applications such as such as schools and hospitals.

Directions

Wear protective gloves.

Dilute 1 part with 10 (100ml per 1L) with hot or warm water for heavy soiling.

Dilute 1 part with 30 (100ml per 3L) with hot or warm water for general cleaning.

Dilute 1 part with 50 (100ml per 5L) with hot or cold water for light soiling.

Damp mop floor, when dry, burnish to a shine using a high speed floor machine and polishing pad.

It is recommended to test all types of surfaces prior to using.

Do not use on French polished surfaces.

Do not mix with other chemicals like bleaching products, etc.

Slippery when wet.

pH: 7 - 10
