RAVEN

RENOVATOR FOR PLASTIC, VINYL AND RUBBER

- **Restores sheen to interior trim**
- **Leaves a new look finish on tyre walls**
- **Delicately perfumed**

For use in the automotive industry, RAVEN enhances and darkens the appearance of rubber, vinyl and plastic fittings on vehicles.

Contains silicone oils to produce a clean, long lasting finish and leaves a pleasant fragrance after use.

USES

Use on:

Interiors - Dashboards, interior trim, plastic, vinyl, wood.

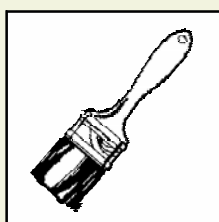

Exteriors - Tyre walls, plastic bumpers.

N.B. Not suitable for use on steering wheels or foot controls.

DIRECTIONS

Ensure the surface is clean and dry before applying RAVEN. Apply a thin film evenly over the whole surface using a brush, cloth or spray. Leave to dry. If desired, reapply on areas of higher absorbency.

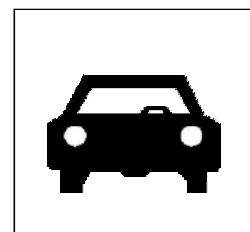

N.B. Wipe off any overspray on tyre treads. Do not dilute RAVEN with water.

DILUTIONS

Use undiluted.
