### Introduction

Carex Antibacterial Hand Wash is part of the range of hand care products available from Jeyes Professional.

It is essential to maintain high standards of hygiene in any washroom or catering environment and encouraging people to always wash their hands is a key part of this. Carex is a long established brand which patrons of your washroom and your kitchen staff will recognise and trust.

Your Jeyes Professional Sales Representative or the Customer Care team can offer advice on product usage and application.

### Features & Benefits

- Protects hands from germs.
- Neutralises odours.
- Moisturising formulation.
- Mild and gentle for all skin types.
- Sensitive variant with extra gentle formulation.
- Kills germs including E-Coli, Staphylococcus Aureus, Staphylococcus Epidermidis and Candida Albicans (yeast).

### ✓ Areas of Use

- For handwashing in public washrooms or catering areas.

### Health & Safety Precautions

- This product is for cosmetic use and as such is not classified.
- Health and safety information is provided on the product safety data sheet.
