

FLOORit

Floor Cleaner

- **Neutral formulation for safety on all surfaces**
- **Fresh, lemon fragrance**
- **Dries quickly to a smear-free finish**

A neutral, green floor cleaner which is suitable for use on all hard floors. When applied, Floorit is low foaming and leaves a fresh, lemony fragrance after use.

With a sophisticated self-levelling formulation, Floorit dries quickly and evenly over the surface of the floor without leaving patches or smears. This makes its application quicker and easier than that of other floor cleaners, as the drying time is cut by up to a half.

Floorit is safe for use on all hard floors including polished floors, marble, linoleum, wood, PVC, concrete, tiles and laminate floors.
