

Craftex Product Specification Sheet

ECOTEX

Special 'green' cleaning product with the gentle power of plant active agents.

Suitable for shampooing all types of carpet and upholstery made from synthetic and natural fibres such as wool, silk, cotton, treford / goat hair, coir, jute, seagrass and sisal. Also suitable for cleaning delicate oriental carpets and rugs (and fringes). Colour and fibre friendly, environmentally compatible, contains no allergenic causing chemicals, solvents or synthetic fragrances.

PRECAUTIONS FOR USE

Test for colour fastness and material stability. Use commonsense precautions when handling chemicals. Avoid contact with skin. Wash chemicals from eyes and skin immediately with plenty of water, if ingested drink plenty of milk or water, seek medical advice. Keep all products out of reach of children.

DIRECTIONS

Shake bottle before use. Vacuum surface to be cleaned before applying shampoo. Spray on to a moistened natural bristle brush and work into surface that requires cleaning. Reapply the shampoo as necessary. The active micro-foam cleans the pile without saturating the fibres. Extract shampoo away from cleaned surface with wet extraction machine or vacuum away with dry vacuum when shampoo has crystallised. For sensitive carpets, e.g. sisal, do not over apply shampoo or spray extract. For velour pieces always work the 'last run' in the direction of the weave. Use neat or dilute up to 1:10. 1 litre will cover up to 60m².

CLASSIFICATION

Aqueous solution. pH 5.5 - 6.5

Size: 1L & 5L

Product Code: 0083 & 0084
