

Z-fold Hand towels are folded in three layers to form the shape of a 'Z', hence the name. When stacked in a dispenser, they interlock with each other, so when a towel is used the next will present itself, reducing the chance of cross contamination.

Quattro Z-fold hand towels work best when used in a hand towel dispenser. Quattro White 2-ply Z-fold hand towels are a premium towel for everyday use.

- FSC Certified Mix – Paper Responsibly Sourced
- Z-folded towel
- High quality 18gsm 2ply paper
- Unfolded sheet size – 240x240mm
